Overview

An entrepreneurial venture founded by a talented and neurodiverse young adult Alyx.

At Pumpkin Patch Design Studio “making magic” is at the heart of everything we do to create a more inclusive & respectful community.

Our creative team aims to put together products that are quirky,

customised, & personalised – always keeping you our client in the center.

Vision

I am enough.
I can influence.
I can contribute.
I have a gift that others need.
I am the change.
I matter.
