OVERVIEW

Pumpkin Patch Design Studio
– an entrepreneurial venture founded by a talented
and neurodiverse young adult Alyx.

At Pumpkin Patch Design Studio “making magic” is at the heart of everything we do to create a more inclusive and respectful community. Our creative team aims to put together products that are customised, personalised and quirky – always keeping you our client in the center.

VISION

I am enough.
I can influence.
I can contribute.
I have a gift that others need.
I am the change.
I matter.
